

# EASA TOURIST 2019

SWISS PARTICIPANTS CALL

## JOIN THE SWISS TEAM

Dear students,

as every summer in the last 38 years, EASA the European Architecture Students Assembly will hold its famous (the largest European platform of its kind; with more than 30 workshops every year) workshops event.

*Anecdote:* EASA began in 1981 in Liverpool as an alternative to the traditional architectural educational system and to allow better exchanges between European students of architecture.

**This year Switzerland will host the event in Villars-sur-Ollon, following the theme TOURIST!**

This event brings together over 600 architecture students from all over Europe (and not only: i.e. delegations from India, South America and others) for two weeks. You will find all necessary information on our website: [easaswitzerland.ch](http://easaswitzerland.ch).

EASA 2019 will be held in Villars-sur-Ollon(VD) between the 26th of July and the 11th of August with the theme TOURIST.

EASA TOURIST will tackle the large problematic of Tourism and Architecture / Society.

*Note:*

you can still become part of the organizing/helping team for EASA 2019! Just write us at [info@easaswitzerland.ch](mailto:info@easaswitzerland.ch).

## UNIVERSAL TASK

**Task:**

Every participant should:

**20 seconds video.**

**Speak about tourism without words.**

Send us the file to [easa.ch@hotmail.com](mailto:easa.ch@hotmail.com) **by the 7th of April**, with a short description of you and a personal reason for joining EASA. Ps. All clips will be used to create a long collage video.

There are exceptionally 12 places available for Swiss students or students studying in Switzerland!

Participation fee (food+accommodation+workshops): 300 €
